

# Understanding Isaiah

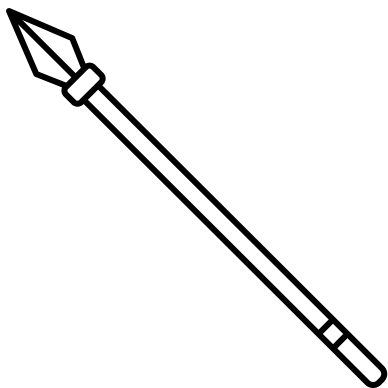

Print these two pages double sided. Cut them out so you have 4 cards total. Give each child some playdough and have them make the picture on the salmon colored side of the card. Then flip the cards over to the blue side. Have them look up the scripture and turn their playdough sculpture into the new picture. How are the two pictures similar/different? What do they think Isaiah is trying to teach us?

**Mountains**

**Sword**

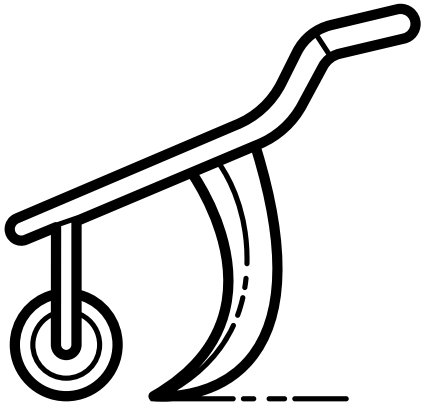

**Spear**

**Cedars of Lebennon**
