# Conference Lessons for Kids

## Pray, He is There

### Topic

I can pray to know Heavenly Father is there, pray to grow to become like Him, and pray to show His love to others.

### Materials/Preparation

- Scrap paper and pencils
- Pray to Know, Grow, and Show worksheet
- Glue and scissors

### Lesson

*Hook:* Do you like to receive gifts? It is fun to make a list of things to ask for for our birthday or Christmas. I am going to hand you a piece of paper and you have one minute to list (or draw) as many gifts as you can think of that you would love to get for your next birthday.

Have them make their lists and take a minute to share some items they put down. Did you know that we can ask Heavenly Father for gifts? He loves giving us gifts just like we (your parents) love giving you gifts. The gifts Heavenly Father can give us are blessings and spiritual gifts.

*Activity:* President Porter gave a special talk this last general conference that she gave just for the children! Isn't that so neat to think that Heavenly Father had a special message He wanted to give to the children all over the world! Sister Porter said, "Our Heavenly Father loves you! You are His child. He knows you. He wants to bless you. I pray with all my heart that you will feel His love... When Jesus was on the earth, He taught us to pray. He said, "Ask, and ye shall receive." She gives us three gifts that we can pray and ask Heavenly Father for.

Today we are going to learn what these three gifts are!

Complete the Pray to Know, Grow, and Show worksheet together! Make sure to read the instruction page.

*Invitation:* This week I want you to hang your completed worksheet above your bed and each time you say your morning or night time prayers, I want you to choose one of these to pray about.

# Prayer Worksheet

## Instructions

This worksheet comes with an older kid and younger kid version. The younger kid version has picture squares at the bottom that will give their hands something to do while they listen. You can choose which one will work best for each of your kids, print them out, and follow the steps below.

### Step 1:

Use this QR Code to pull up President Porter's talk, "Pray, He is There". You can choose to listen to it or watch it.

### Step 2:

You will be listening to three small sections of Sister Porter's talk. The times for each section are listed below. For the younger kids worksheet, have them cut out the picture squares and take a minute to look at each one. Let them know that while they listen to each section, they need to figure out which two pictures go along with what they are listening to and glue them in the blank squares on their worksheet. For older kids, tell them to listen or watch and ponder the question written for each section.

After listening to each section, fill out the corresponding section on your worksheet. For the younger kids, have them finish gluing on their picture squares and then draw a picture to the left that answers the question. For older kids, have them fill out the blank line and answer the question.

**Section 1,** Pray to Know- 1:30- 5:14

**Section 2:** Pray to Grow- 5:15-7:03

**Section 3:** Pray to Show- 7:04- 10:06

### Step 3:

Share what you learned and have your kids hang the worksheet up by their bed so they can pray for the things they wrote.
